MEMORANDUM FOR: Chief, Logistics  
SUBJECT: Purchase of Operational Equipment

1. During operational trip in [ ] last spring, there developed an urgent need on the part of a member of the Special Projects Staff for a recording instrument to record discussions with the agent in the Project for which he traveled abroad, and in order to make a perfect record of all his statements which were of great importance and required and warranted a permanent record. As he had no recording instrument with him there, he went to the [ ] place and purchased for \$201.90 a portable [ ] which was used for the purpose of recording the statements. Photographic equipment was also purchased for \$52.00 because of the necessity of on-the-spot instructions in the field.
